Conditions:

General

As a responsible committee, we take all of the objectives very seriously and will do everything necessary to ensure we have a safe and enjoyable space for all.

The prevention of crime and disorder

We will set a customer code of conduct of which we expect all members of our community to adhere to. As small group of villages, we don't expect large volumes of people. We do however expect the people that do come to respect the facility, people living close by, and their village.

Public safety

We will have in place controls to ensure safe drinking and non-sale of alcohol to under-age or over-intoxicated people.

First aid facilities on-site and appropriate signage.

The prevention of public nuisance

We will be respectful of our local residents.

All public and private events will be notified/advertised on our website (at minimum) so that any noise that may occur is pre-notified.

Windows and doors will be kept closed during entertainment.

Signs will be posted at exits from the premises to remind our customers to keep the noise down on leaving the premises.

The protection of children from harm

There will be no public activities that are not family focused with children in mind, this include music with offensive/rude words.

Films will be tailored to families and if there is the demand for a 12,15,18 classification films for example these will be ticket only events and ID will be required.

As a community organisation we take our obligation to protect all children enjoying the facility.
